

SETTING YOUR RENT PAYMENTS – SUPPORTED HOUSING

We set your rent payments for your home in accordance with Government regulation. From April this year that is based on:

- The Rent Standard, and
- The Policy statement on rents for social housing

For supported housing tenants, the maximum amount of increase in the net rent is the annual change in the consumer price index (“CPI”) in September last year, plus 1%. CPI for September 2024 was 1.7% so the maximum amount of increase in net rent is 2.7%.

This increase has been approved by Eastlight’s Board.

For more information, please refer to your lease and our Rent Setting policy, which can be found on our website.
